

VYSHAKH KRISHNAN T

Data Analyst

As a recent graduate in Data Analysis, I am excited to bring my strong analytical and problem-solving skills to a dynamic and innovative company. Through my coursework and internships, I have gained experience in using tools such as Excel and SQL to analyze and interpret data, and I have a strong foundation in statistical analysis and data visualization. I am eager to apply my skills to real-world challenges and contribute to the growth and success of a forward-thinking organization.
